

It's time for Railroad Days!

The City of Brunswick extends a cordial invitation to participate in the
27th Annual Railroad Days Festival
Saturday, October 2nd & Sunday, October 3rd, 2010
10:00 AM to 5:00 PM

The year 2010 will mark the 27th Annual Railroad Days. While this long running festival has been well attended every year, event organizers have discussed for several years the possibility of getting Railroad Days back to its original concept: a festival to celebrate Brunswick's rich history of railroading. Many changes are already in the works for this year's event.

This year, organizers are prepared to hire juried crafters and demonstrators, such as blacksmiths, basket weavers, candle makers, etc. to display their handiworks. Additional Railroad Days festivities will include window displays of railroad memorabilia, pictures, and letters by area historians, an antique car show, and more displays of model trains. Another monumental event, the 120th anniversary of Brunswick's incorporation, also happening in 2010, will be marked with a themed art contest.

Along with the new additions, will be the "old favorites", including train rides, antiques, children's attractions, live entertainment and plenty of good food. The Brunswick Railroad Museum will display three floors of Brunswick history, a working model train layout and history walks in historic downtown Brunswick. Railroad Days will be held rain or shine.

If you are a returning Railroad Days vendor, please note that there have been several changes in both the fee schedule and application process. To participate as a crafter, food vendor or organizational display, you must complete and return the enclosed application, "Terms of Participation" form, the Hold Harmless Agreement and 2 photos of your display and product. Return the forms, photos and a check made payable to the City of Brunswick, or credit card information to City Hall no later than **June 15, 2010**. You will be notified by mail and/or email by July 15, 2010 if your application had been accepted, at which time your payment will be processed. Applications received after June 15, 2010 will be reviewed on an individual basis and will be charged an additional fee.
